

WARRANTY LABOR PAYMENT POLICY

Reimbursements for troubleshooting and/or labor shall apply only to items eligible for warranty coverage as defined by the SurePoint Ag Systems Warranty Policy. SurePoint offers reimbursement to its dealers for up to 1 hour of troubleshooting time at a rate of \$100 per hour. Additional troubleshooting time will be considered if a SurePoint Service Department representative is involved in the diagnostic process. SurePoint will also reimburse dealers for time spent replacing failed components, up to the durations listed below. Drive time will not be reimbursed. Labor/parts request must be accompanied by invoices and technician notes.
