

2024 Liquid Fertilizer Systems Early Order Program (EOP)

Eligible Fertilizer Systems:

Complete SurePoint fertilizer systems consisting of PumpRight or Tower pump system, plumbing and manifold kit to the rows and wiring harness. Systems may also include SurePoint controllers, tanks and other optional components. *Purchases of components or partial systems are not eligible for this program.*

Minimum Order Per System: \$5,000 Retail Price

Ordering Period: June 1 – August 31, 2023

Shipping Period: July 1 – October 31, 2023 (at SurePoint Ag's discretion)

Payment due: November 30, 2023

Discount: 5% in Addition to Standard Dealer Discount

Late Payment:

Invoices not paid by November 30, 2023 will forfeit all program discounts and be subject to late payment interest charges. For payment via check, envelope must be postmarked on or before November 30, 2023. For payment via ACH or Wire Transfer, funds transfer must be complete on or before November 30, 2023.

Early Order Program Agreement:

Dealers will be provided the Early Order Program Agreement Terms with their quote. By placing an order for the quoted system, the dealer is thereby agreeing to the terms and conditions of the EOP program.

Installation (where available):

SurePoint installation charges are not eligible for the additional discount. Installation charges will be billed at the same time as the product order.

System Details:

Customers will need to furnish fertilizer application rates and other necessary information. Dealers are responsible for confirming the accuracy of the fertilizer products, application rates, and other equipment information provided by the customer, which are summarized on the quote. This is absolutely necessary to get the right major components in each fertilizer system (pump, flow meter, plumbing) all sized correctly.

Pricing: SurePoint will honor EOP quoted prices for 60 days from the date on the quote.
